REPLY TO OFFICE ACTION

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This REPLY is in response to the final Office Action mailed April 5, 2006, in the above-captioned application. The Examiner is thanked for returning my call on Thursday 19th June, 2006. During that conversation the Examiner indicated that she was leaving the USPTO and was therefore not prepared to conduct an interview explaining points 4-6 in the final Office Action mailed April 5, 2006. The Examiner urged the Applicant to file a substantive response since in her opinion, interviews would not be granted after a final rejection irrespective of the completeness of the final rejection.

Remarks begin on page 2 of this paper.
